

# FIELD OFFICER Position Description

Tasmanian Alkaloids is seeking a Field Officer to be based in Northern Tasmania.

TasAlk require a self motivated individual with proven ability to work unsupervised, as part of the regional Field Operations team.

Principal responsibilities of the position are:

- Liaison with individual farmers to contract for growing areas.
- Providing assistance to growers in the completion of documentation and giving professional advice on all aspects of poppy crop husbandry.
- Achieving budgeted allocation of growing areas and maximisation of grower returns.
- Coordinating harvest and cartage operations.

To meet these responsibilities will require:

- A demonstrated sound working knowledge of current agricultural practices.
- Ability to work as part of a team.
- Well-developed written and verbal communication skills.

A tertiary qualification in Agriculture, while not essential, would be an advantage.

A competitive salary and benefits is complemented by provision of a fully maintained company vehicle.
